

Weekly NEWSLETTER September (3) 2017

Working together to challenge, and inspire excellence for all.

Dear Parents,

I have been inundated with questions about the new Astrea Academy which will be opening to Y7 pupils in September 2018. Although we are an Astrea School and in the catchment for the school, your child still needs to apply for a school place through the Sheffield City Council's Admissions team.

INSPIRING BEYOND MEASURE

Members of the Astrea Team will be attending the school on Wednesday 27th September to carry out an assembly for the Y6 pupils giving them lots of information. In addition to this, Andy Redfern from the Executive Board of Astrea, will be presenting to parents on Thursday 28th September at 8.45am in the dining room. Please do attend for further information.

Again as a school/staff team, we are very excited at the thought of our children continuing their education in an Astrea School.

Our new Curriculum is now under way and the initial responses from the children have been very positive. They are very engaged in the different topics that they are studying, and they are learning all sorts of new things about Sheffield. Also, Mr Surrige has been pleased to see the enthusiasm in the music lessons and is incredibly excited to think of the future musicians that we may have started on their way. Some children have asked about purchasing their own musical instruments. If you would like to buy a recorder or ukulele for your child, please can you let the class teacher know, we could bulk buy at a better rate.

Presently we are recruiting both volunteers and both L2 TA and L3 TA placement students. If you are interested in volunteering at the school, please do not hesitate to collect an application form from the office. If you would like to do your placement at Byron Wood, again please do not hesitate to speak to me or make an appointment with Cheryl Tough who will be able to arrange a meeting with me.

Regards,
Mrs Ashton
