

Weekly NEWSLETTER
November (1) 2019
**‘Working together to challenge, and inspire
 excellence for all’**

Welcome back after the half term we hope you had a relaxing half term.

Building work

After having a week off from school hopefully you will have seen a dramatic change in the way that the building is progressing and the steel work is being erected.

Parents evening

Thank you to all the parents who attended parents evening this week. If you were unable to attend please do still make an appointment to see your child's teacher. As part of the evening, questionnaires were handed out to find out parents' views about the academy. If you have not filled a questionnaire out and would like to, please see the office; they will be available until **Friday 22nd November 2019**. I will send the results of the questionnaire out once it has been collated after this date.

Parent App

As an academy, we are trying to go paperless by the end of December. Please download the Astrea app to communicate with school and read the newsletters etc easily. Please also log onto parentpay - the easy and secure way to pay for school dinners and trips.
