

← = **2** 1234 = **10**

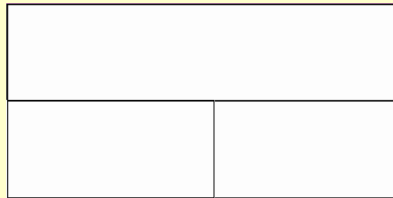

A number bond to 10 is two numbers that join together to make 10

? 1234

When you bond the numbers you are adding.

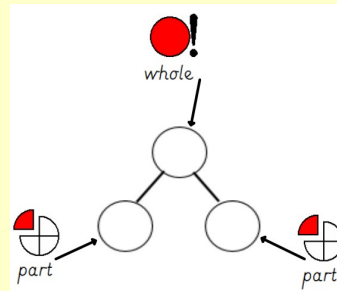

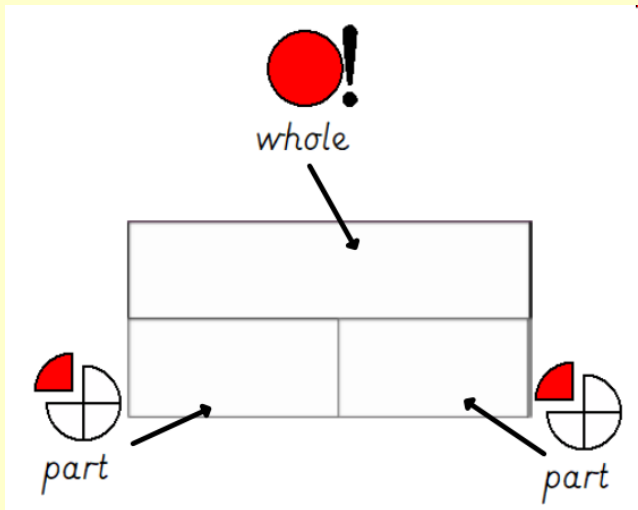

= →

This is a bar model

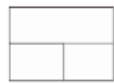

= →

The bar model is similar to the whole part model

**10**

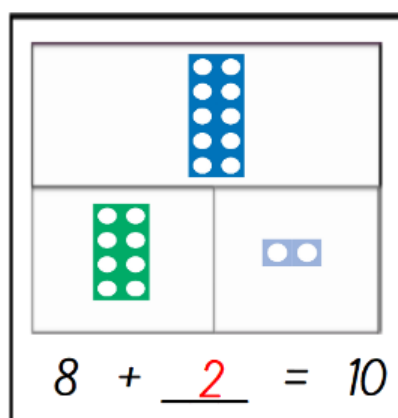

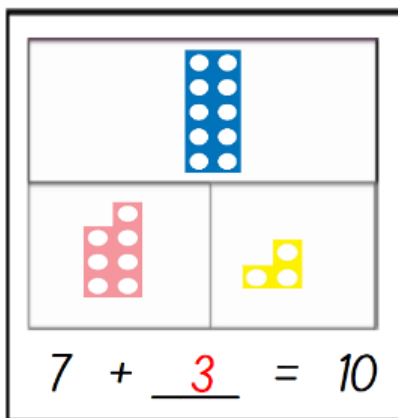

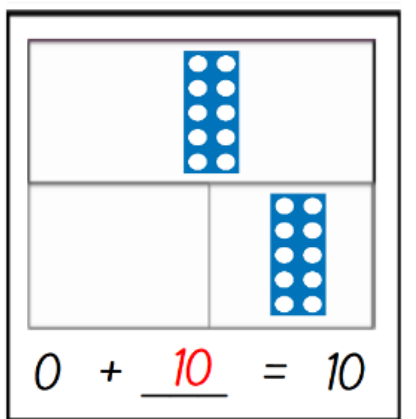

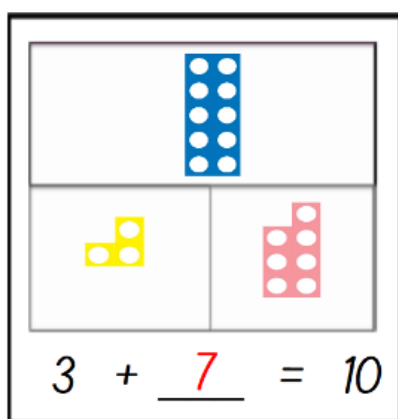

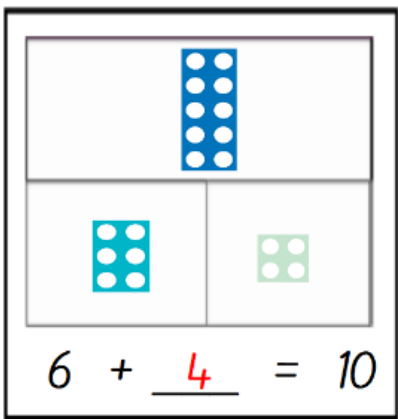

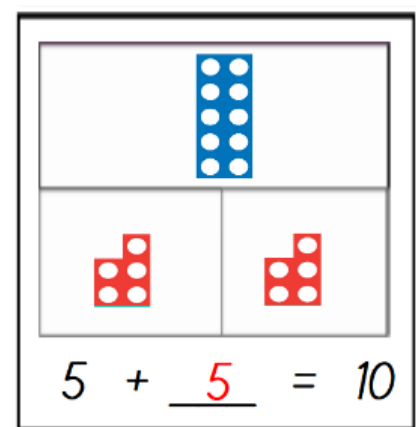

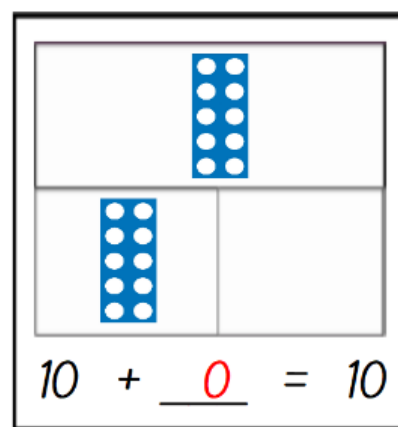

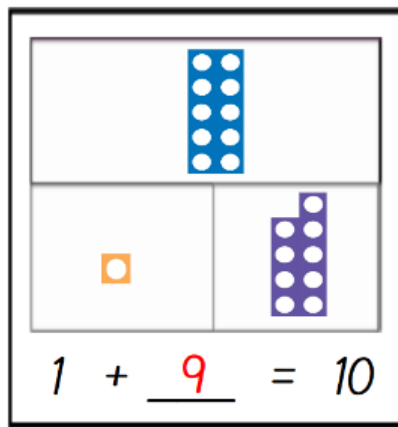

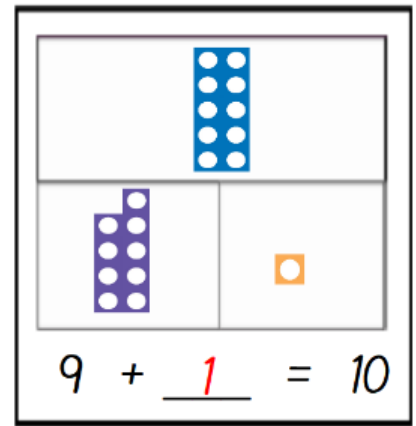

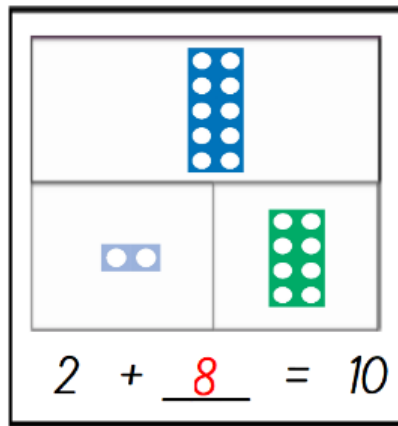

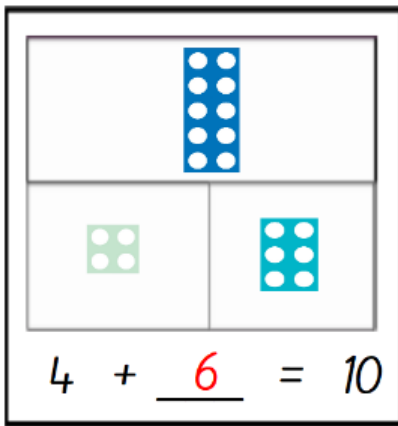

In number bonds to 10 the whole is always 10.

+

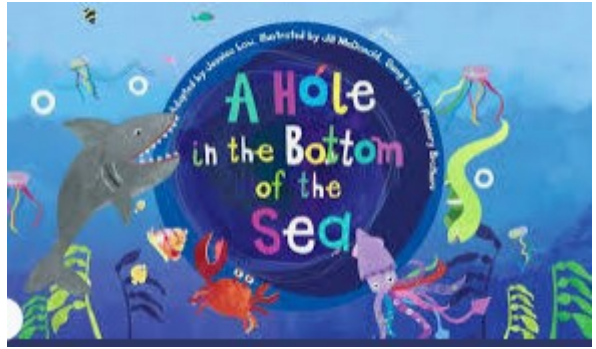

$3+1=2=$

Complete the *bar model* and number sentence.

# Monday English Answers

1. Listen to the story.

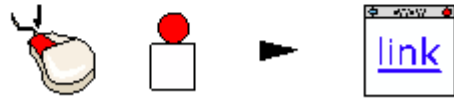

[https://](https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/A-hole-in-the-bottom-of-the-sea/)

[www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/A-hole-in-the-bottom-of-the-sea/](https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/A-hole-in-the-bottom-of-the-sea/)

2. Read the words.

3. Click on the link:

4. Match the picture and the word.

5. Read and say the word.

The matching exercise consists of four central images and four word boxes on the right. Lines connect the images to the correct words:

- The image of a hole in the ground is connected to the word "hole".
- The image of the ocean floor with a red arrow pointing down is connected to the word "bottom".
- The image of a shark is connected to the word "shark".
- The image of the ocean surface is connected to the word "sea".

The word boxes on the right contain the words: sea, bottom, hole, and shark.
