# Starting in Nursery at Byron Wood Primary Academy

Inspiring Beyond Measure

The Early Years  
Foundation Stage

EYFS

We are so pleased that you are starting at Byron Wood Primary Academy in the Acorns F1 Nursery class. It is a wonderful place filled with happiness, laughter and fun.

The Nursery classroom is in the lovely Early Years Foundation Stage setting which is safe and secure and everybody is very friendly.

We have a beautiful, big classroom with lots of fun areas to explore.

We will show you all the toys and activities. We have a home corner, construction area, creative area and even sand and water play.

When you first come to school you will hang your coat up in the lobby.

When you arrive at school you will take your coat off and hang it on your special peg in the classroom. We will put your photo next to it so that you can find it easily.

You will be greeted at the door by the teachers.

Lydia Norton is the Acorns Class  
Nursery Teacher.

Every session  
in Nursery is  
fun and  
exciting. I  
know that  
you are going  
to love  
coming to  
Byron Wood.

Georgia Layne teaches in Nursery too.

We are always  
here for you so  
**don't worry**  
about a thing!

Kaltun Mohamed and Shireen Myrie also work in Nursery. They love playing with you and reading stories too.

I am Kaltun. We have lots of fantastic toys to play with in our beautiful Nursery play area.

I am Shireen. I love doing arts and crafts activities. We are so creative in Nursery and have good messy fun!

Then Mummy or Daddy or your special grown-up will come into the room with you. They will help you find something you want to play with.

A teacher will shake a tambourine and will ask the children to stop playing. You will go into a smaller classroom and will sit on the carpet in front of the whiteboard with all your new friends.

First of all the teacher will call the register. This means she will say your name and you can say 'Good morning' so that she knows you are at school

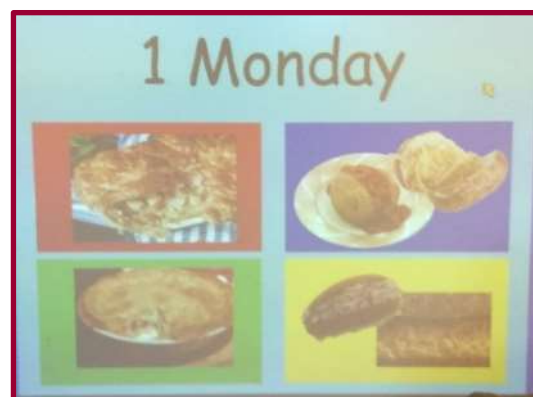

During the day children can have a drink of milk and a piece of fruit to eat.

If you are here all day you will have lunch in the dining room with all your Nursery friends.

You will choose your lunch each morning when you come into school. You may wish to bring a packed lunch though and that is fine.

We will make sure you know where the toilet. It is always fine to go so please don't worry. Just ask a grown-up and we will always help you.

We have a wonderful outdoor area and we spend lots of time playing outside.

We play outdoors and indoors. If it is cold or rainy we just wrap up warm and put on our coats.

At the end of the session, you will tidy up one last time and go into your classroom for a story.

Then Mummy or Daddy or your special person will come and pick you up and we will look forward to spending another exciting day with you.

Learning is fun  
in Foundation 1!

Byron Wood Early Years  
Foundation Stage is so much  
fun and we can't wait for you  
to be part of our lovely school!
