

If your child develops any symptoms of COVID-19

- A new continuous cough
- A high temperature
- A loss of smell and taste They must not attend school and you need to book a test.

Dear Parents / Carers,

Weekly NEWSLETTER September (2) 2020

Reminder Bun Sale

The buns will be available 4 for a £1 bags or a bag of flapjack for a £1. The children will need to bring the money into school on a Friday morning and they will need to pass it to the adult when asked. The cakes will then be delivered to the classrooms for the children to take home at the end of the day.

Home learning

From Monday 21st September if your child is at home due to self isolation or self isolation within the family you will be able to access work online. Please email your child's work to the class teacher through the class email when work is completed.

Thank you for your understanding this week when due to an incident within the local area we took the steps to 'lockdown' the school to ensure that the children were safe. We released the children a little later than 3pm after we had spoken with the police. In response to the incidents within the community you may notice that there is an increased presence around the school. This is to help you feel safe but also please do talk to them if you have any questions or concerns.

Payment for school meals and trips

Over the coming weeks we are moving from ParentPay to +Pay. This will be our new way to pay for school meals and trips. Please look out for further information coming soon.

Star of the Week

As we can't all meet together at the moment, we have been having our Star of the Week assembly on screens in our classrooms.

A full list of Stars are included in the newsletter this week.
