

If your child develops any symptoms of COVID-19

- A new continuous cough
- A high temperature
- A loss of smell and taste They must not attend school and you need to book a test.

Dear Parents / Carers,

## Weekly NEWSLETTER September (3) 2020

### Transition

It has been a lovely first four weeks back in school where the staff have enjoyed seeing the children. Next week will mark the change over to their new teachers in the majority of classes.

### Swimming

The Year 3 children had their first experience of swimming with the school this week and they reported that they all enjoyed it. During this time, I must thank parents for helping with the different regime of getting changed for swimming. As the children get quicker at changing, the children will be able to return to school in time for the end of the day.

### AUP/Technology forms

Please remember to fill out the AUP forms and technology questions, that you should have received on the Astrea App or by text, to help us have an understanding if we have to go into a local lockdown or if any children have to stay at home who would be able to access our remote learning.

### Parking

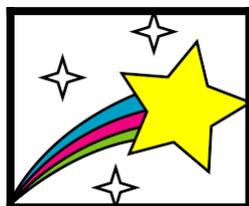

We are still having a problem with parking around school. Please do park in a considerate manner. Our local PCSO is monitoring the situation and will be liaising with parking enforcement about our school.

### Star of the Week

As we can't all meet together at the moment, we have been having our Star of the Week assembly on screens in our classrooms.

A full list of Stars are included in the newsletter this week.

Class	Star of the Week
Y1 Beech	Vanessa
Y1 Fir	Alaa
Y2 Holly	Muawiyah
