

If your child develops any symptoms of COVID-19

- A new continuous cough
- A high temperature
- A loss of smell and taste They must not attend school and you need to book a test.

Dear Parents / Carers,

Weekly NEWSLETTER October (2) 2020

Extra inset days reminder

Due to us moving into the new school building during the half term please remember that we have been allocated 5 additional training days. This means that we will close to children on **Wednesday 21st October at 3.00/3.15pm**. We will then reopen to the children on **Thursday 5th November 8.30/8.45am in the new school building**. Please watch the website for updated details on how to access the new building as we will be using different entrance and exit ways whilst still operating a one way system.

Covid-19

As I am sure you are aware Sheffield is seeing an increased rate of positive cases. We are reiterating with the children the need to wash their hands thoroughly. As a further protective measure alongside our one way system, we would welcome parents to wear face masks whilst on the school grounds. Please remember to keep 2 metres away from other parents and families who are not in your household.

Parents Evenings

Parents evenings this year will have to take place in a different way due to Covid-19. We have therefore planned for telephone conversations to take place between the class teacher and parents/carers. These parents evenings will take place in the **week beginning 16th November 2020**. If you have more than one child attending this school you will receive more than one phone call and they may be on different nights. We will be sending out the dates and times closer to the time so please do look for these slips and fill them in and return to school.

Star of the Week

As we can't all meet together at the moment, we have been having our Star of the Week assembly on screens in our classrooms.

A full list of Stars are included in the newsletter this week.
