

Hi,

We know that many households have been feeling the financial impact of Covid-19. In response to this, we're launching our Community Grocery in Sheffield to help local residents with their weekly food shop.

We provide a great selection of healthy branded items that you'd expect to find at your local supermarket but for a fraction of the price. We're run on a membership basis designed for anyone who is struggling to afford the everyday basics by offering a full selection of groceries for just £3. We've even price matched a few of our standard shops against high street supermarkets and found that our members can save over £30 on each visit.

We know choosing the items you like for your family is really important and so we have thousands of products to select from each week with new lines added each day.

Our members not only get to save on their food shop but they also get to play their part in helping to protect the environment. Lots of the items in our grocery have been given to us by local supermarkets and would have normally ended up going into landfill. The food is all great, and there are many reasons why supermarkets have surplus food to donate. It may be there are packaging mistakes, errors with ordering or that the food that ends up too close to its 'best before' date for them to sell. So they've given it to the Community Grocery.

As we are reliant on what supermarkets donate to us we can't guarantee what items we'll have in stock for you on each visit, so you may find that you need to do a top up shop during the week for any key items you're missing. We receive new collections every day, so to be the first to see what we've got in stock, make sure you follow us on Facebook or Instagram.

And there's more. All of our members will be able to access loads of other benefits like job clubs, money management courses, mental well-being courses, youth clubs, volunteering opportunities and much more. As soon as the government restrictions allow it, all of these activities will be hosted on the same site as the grocery.

How it works

1. To become a member, just visit our grocery any time whilst we're open (Mon - Fri 9:30am - 4:30pm), we'll get you signed up straight away and walk you through your first shop. It's £5 for a years membership and you can visit our grocery twice a week.
2. A standard shop in the grocery is £3 and at the start of the day we set limits on how much you can take from each section depending on how much supply we have. A normal £3 shop will typically fill 2-3 shopping bags include the following items:
 - 1 Sliced Loaf of Bread
 - 5 Portions of Fruit & Veg
 - 5 Shelf Items (things like cereal, pasta, sauces, crisps, chocolate etc.)
 - 2 Fridge Items
 - 2 Frozen Items
 - 2 Mix & Match Items (a selection of different tinned food)
 - 1 Non-Food Item
 - 1 PPE Item (masks or sanitiser)
 - We also have some little extra items you can get on top of your shop for £0.50. These include items like fresh milk or eggs
3. All of our Community Groceries will also be running a variety of free services and events to get to know our members better and help support them with any specific needs. Once these go live, you can sign up for them in the grocery.
