Olympic challenge

- We have had lots of fun this week with the Olympic challenge! Classes really got into the swing and had made chants and played music whilst walking to the challenge. The teamwork between the classes was amazing and they cheered each other on. Some children wore the colours of the flag and had face paint on.
- Feedback from the children has been very positive with a number of them asking if we can do it again next year!

Khalilah in Reception

Funky Feet Friday

- Well done to everyone who has made sure they have been active in coming to school this week. Remember that this will continue next week.
- To celebrate the last day of the 10 Day Active Challenge, next Friday 25th will be Funky Feet Friday! We would encourage everyone to wear colourful shoes and funky socks when they walk to school on Friday. Photos of the funkiest feet will be shared on our Twitter feed.

Scooters/Bikes

- It has been lovely seeing the children getting active and bringing their bikes and scooters into school. We ask kindly that the children do not ride these within the school grounds, before and after school, this is to help reduce the number of accidents and casualties. We thank you for your co-operation in this matter.

School uniform

- Unfortunately due to the nature of **smart** watches the children are unable to wear them to school.
- No other piercings are allowed other than one pair of earrings. We ask that the earrings the children wear to school are small plain studs and that they do not wear them on PE days. If children do wear them on PE days they need to be removed by the child.

Ellesmere Litter Pick From the Friends of Ellesmere Park

- Just to let you know that on this Saturday there is the **Ellesmere litter pick. Meet at the park ready for a 10 a.m. start.** Bags and litter picking sticks will be provided. The team be operating a socially distanced pick and all the equipment will be sanitised prior to the pick.
- You will see that great progress has been made in the park. Thanks to the Council we now have 4 new seats and 2 new litter bins. The team are waiting for a notice board which has been delayed due to supply issues.

Contact

- If you need anything or have any suggestions please contact school by either
