INSPIRING BEYOND MEASURE

Road Safety

- This week we have had a visitor from road safety within school. They delivered road safety sessions across school and taught the children how to be safe when crossing roads.
- Please talk to your children about the importance of paying attention and remembering what they have learnt during these sessions.

Parking

- Unfortunately, there are still some people who are parking in a way that endangers our children outside the school.
- You **must not** park on the red area outside school, double yellow lines or on the pavement. Please pull your car into an appropriate space so that your child can leave the car safely and you do not obstruct the view of pedestrians trying to cross the road. For the majority of our children you live close enough to school to walk.
- Please also ensure that your children are wearing seatbelts and, if below 135cm tall, that they are in a car seat.

Parents evenings

- Next week you will be receiving an email with times for parents evenings with your class teacher.
- Please ensure that you sign up to one of these times to discuss how your child has started school this year.
- The parents evenings in Autumn term will be conducted over the telephone in line with current advice around Covid and keeping everyone safe.

Contact

You can contact school in the following ways:

- Phone – 0114 272 3624
- Email – enquires@astreabyronwood.org
- Astrea App
- Don't forget to follow us on twitter @BWA_Sheffield
